

PETTINICE RTR IVORY ICING

OVERVIEW

PETTINICE RTR IVORY ICING is an easy to use base icing for the decoration of Christmas and Birthday cakes and other confectionery products. „Before applying the base icing, brush the cake well with warm jam (preferably apricot). Remove the required amount of icing from the container and knead by hand until it is pliable and smooth. „Pin out the icing to the required thickness and place over the cake. Press the icing over the cake and trim off. „The cake is now ready for finishing with Royal Icing Recipe No R650a (using ACTIWHITE). „PETTINICE RTR IVORY ICING can also be moulded into many decorative shapes appropriate for any occasion

USAGE

Remove from the container, knead lightly then roll out to required thickness. Place on cakes etc as required.
